

Elements of Our Grant Application

Alignment with our Mission Statement

Our Mission is to give back to the communities we serve by funding and supporting opportunities that inspire and impact youth. The Cal LeGrow Foundation directs its community investment towards activities that are consistent with its priorities and that are likely to have the greatest impact. To qualify for funding, please confirm that you are a youth-facing organization that aligns with our mission.

Applicant Contact Information

Please provide your First and Last Name, Phone Number and Email Address.

Organization Information

Please provide the name of your organization, the address for your organization, and whether or not the organization is a Registered Charity.

Executive Summary

A brief overview of your proposal with information about the organization, your ability to complete the project, the need, methods to be used, and how those served will benefit.

Background Information

Please provide a brief description of your organization, including the community it serves and the role it plays within this sector.

Rationale

Describe why your organization wants to undertake this particular project or program, how it fits into your organization's objectives, how it can benefit others, and why your organization is best qualified to carry it out. If the project is a collaboration, include a brief description of each partner, each organization's role in the project, and the reasons for forming the partnership.

Description

Include all information relevant to the grant request. If applicable to the proposal, include a detailed work plan or methodology, anticipated results and an evaluation plan that includes specific measures. If the project is technical or scientific, describe it in lay terms and also provide a more technical description, for peer review purposes. If it is a research project or a project that depends largely on the knowledge and experience of specific individuals, provide a short biography for the senior people involved.

Board of Directors and Committees

Provide a list of your organization's board of directors, with a one-line description of each person, and a list of any relevant committees or advisory groups.

Budget

Provide an itemized budget with a short explanation of each item. Typically, the larger the amount requested, the more detail required. If the Foundation is being asked for partial funding of the project, indicate the budget which expenses would be covered by this grant and which would be supported with other sources of funding. Specify all other requested and confirmed sources of funding. You are able to upload a budget file if it will aid in your application.

How much money you are requesting

Please provide the monetary amount you are looking to get from the Cal LeGrow Foundation.

Financial Information

Provide the most recent audited financial statements for your organization, provide a copy of the operating budget for 2023 (including expenditures to date), and provide a copy of your most recent annual report.
